

Sakshi Verma

Computer Science Student | Aspiring Front-End Developer

sakshi.verma@example.com • +91 98765 43210 • Sikandarabad, Uttar Pradesh, India •
linkedin.com/in/sakshiverma • github.com/sakshiverma

PROFILE

Computer Science student with a growing focus on front-end development. Comfortable turning designs into responsive, accessible interfaces using HTML, CSS, and JavaScript, and quick to pick up new tools. Looking for an internship or entry-level role to keep building real products and learning from an experienced team.

EDUCATION

B.Tech in Computer Science — Your College / University Name

Expected Graduation: 2027 • Sikandarabad, Uttar Pradesh • CGPA: 8.x / 10

Relevant coursework: Data Structures & Algorithms, Database Management Systems, Web Technologies, Object-Oriented Programming.

SKILLS

Languages	HTML, CSS, JavaScript, Python, C++
Tools & Frameworks	Git & GitHub, VS Code, Bootstrap, Figma, MySQL
Also learning	React, Responsive Design, Web Accessibility

PROJECTS

Recipe Finder Landing Page — HTML, CSS

- Built a fully responsive landing page for a recipe search concept using CSS Grid and Flexbox, with no framework, focused on mobile-first layout.

To-Do List with Local Storage — JavaScript

- Built a task manager that persists a user's list in the browser using localStorage, with add, edit, complete, and delete functionality.

Student Attendance Tracker — Python, MySQL

- Developed a college assignment tool to log attendance and generate percentage reports for a class, backed by a MySQL database.

CERTIFICATIONS & ACTIVITIES

- Add any online courses, certifications, hackathons, or college activities here.
- e.g. "Responsive Web Design" — freeCodeCamp
